

PF+C 's S. Crocker Bennett Appointed to VHS Board

DECEMBER 10, 2007

On December 10, PF+C attorney S. Crocker Bennett, II was appointed to the Vermont Historical Society's Board of Trustees. Bennett has been a supporting member of the VHS for many years. In March 2007, he was appointed to the organization's Development Board as a prelude to a possible seat on the Board of Trustees.

"I am really pleased to be given a chance to help shape the future of the Historical Society," Bennett said. "An avid history buff as I am can only delight in serving on a board that supports his hobby."

Bennett said that his duties as a trustee will likely include fundraising, facilities supervision, administrative oversight, planning, and preparation for events such the annual Vermont History Expo.
